Education

Bachelor of Science

University of Florida - Gainesville, FL

May 2009 to May 2013

Skills

- Software Testing and Validation
- React
- Vue
- Blockchain Development
- Teamwork and Collaboration
- Algorithm design and structure
- Code Analysis and Development
- Team Management
- Code and Quality Standards
- Angular
- Mobile app development
- Source and Version Control: Git, Github
- Project Management
- Programming Languages
- Database Management Software
- JavaScript
- Java
- Bootstrap
- Node.js
- MySQL
- REST
- JSON
- MongoDB
- Agile

- Front-End Development
- Unit Testing
- Docker
- ASP.NET
- HTML5
- CSS
- APIs
- Software Development
- AWS
- PHP
- Web Services
- User Interface (UI)
- Web Development
- Next.js
- Blockchain
- Web3
- Android
- React Native
- Spring Boot
- Grails
- Nest
